7. Newsletter

With the following information we inform you about the content of our newsletter as well as the registration, sending and statistical evaluation procedures as well as your right of objection. By subscribing to our newsletter, you agree to the receipt and the procedures described.

Content of the newsletter: We send newsletters, e-mails and other electronic notifications with advertising information (hereinafter "newsletter") only with the consent of the recipient or a legal permission. Insofar as the content of a newsletter is concretely described in the context of an application for the newsletter, it is decisive for the consent of the user. Incidentally, our newsletters contain information about our services and us. The registration for the newsletter will be protocolled in order to prove the registration process according to the legal requirements. Likewise, changes to the data stored by the shipping service provider are protocolled.

Registration data: To subscribe to the newsletter, it is sufficient to provide your e-mail address. Optionally, we ask you to give a name in the newsletter for personal address.

Germany: The dispatch of the newsletter and the related performance measurement is based on the consent of the recipient acc. Art. 6 para. 1 lit. a, Art. 7 GDPR in connection with para. 7 (2) No. 3 Act against unfair competition or on the basis of the legal permission acc. para 7 (3) Act against unfair competition.

The logging of the registration process is based on our legitimate interests in accordance with Art. 6 para. 1 lit. f GDPR. We are interested in using a user-friendly and secure newsletter system that serves our business interests as well as meeting the expectations of users and allows us to provide consent.

Termination / Withdrawal - You can terminate the receipt of our newsletter at any time. A link to cancel the newsletter can be found at the end of each newsletter. We may save the submitted email addresses for up to three years based on our legitimate interests before we delete them. The processing of this data is limited to the purpose of a possible defense against claims. An individual request for cancellation is possible at any time.

8. Collection, processing and use of personal data

"Collecting" within the meaning of the Federal Data Protection Act is the acquisition of personal data. "Processing" within the meaning of the Federal Data Protection Act is the storage, modification, transmission, blocking and deletion of personal data. "Use" in this sense means any use of personal data, other than processing.

The collection of personal data via our website is for the purpose of processing the contractual relationship you have entered into, including any subsequent warranty rights, for our services, ensuring proper bookkeeping in our company, for administrative purposes and for our own marketing purposes. Of course, our data protection practice is consistent with the Federal Data Protection Act (BDSG) and the Telemedia Act (TMG). Personal data is stored and processed at any time in the Federal Republic of Germany. Upon request, we will give you free information about the data stored about your person or your pseudonym. If you wish to receive such information, please send a message to datenschutz@eventlab.org or send us your request by fax or post. Likewise, upon request, we will correct, block or delete the data stored about you, as far as this is mandatory or possible according to the legal requirements.

A transfer of personal data takes place only and exclusively insofar as this is absolutely necessary for the execution of the contractual relationship. This is the case, for example, with regard to the subcontractors employed, so that you can visit your booked event and be granted access. A further transmission of the data does not take place or only if you have expressly consented to the transmission. A transfer of your data to third parties without explicit consent, such as for advertising purposes, does not occur. The basis for data processing is Art. 6 para. 1 lit. b GDPR, which allows the processing of data for the performance of a contract or precontractual measures.

Data security

In order to protect your data against unintentional or unlawful deletion, disclosure, access or against their manipulation or loss, as well as against other misuse, appropriate technical and organizational measures are taken.

For your security, your data is encrypted using the SSL Web Site Certificate (Secure Socket Layer). This is an encryption standard, also used in online banking. You will see a secure SSL connection, including the attached s at the http (i.e. https: // ...) in the address bar of your browser or the lock icon at the bottom of your browser.

Please remember that security when using the internet depends on a number of circumstances and cannot be guaranteed faultless at all times.

9. Deleting personal data

Data that we store will be deleted with lapsing of the corresponding authorization, in particular after achieving the purpose for which further use will be blocked and after expiry of the safe custody periods stipulated under tax and trade law, unless you have consented expressly to continued use of your data or have agreed to something else contractually.
